

Clinton Foundation at Center of Child Trafficking Network Investigation

WARNING: turn away now if you do not want to be incredibly disturbed. This is real.

Pay attention to "pizza" and "cheese" references throughout, as these are highly likely to be code words for children or criminal sexual acts of some sort.

UPDATE: Why were Podesta's emails scraped the day after this child went missing? Where was he? Why isn't he responding to inquiries? Why does the official police sketch match him?

Have a safe trip.

Madeline Beth McCann (born 12 May 2003) disappeared on the evening of 3 May 2007 from her bed in a holiday apartment in Praia da Luz, a resort in the Algarve region of Portugal, sparking what one newspaper called "the most heavily reported missing-person case in modern history"^[1] Her whereabouts remain unknown^[4]

UPDATE: Why is Podesta obsessed with [this art?](#) (

John Podesta's taste in art

If you've ever dreamed of strolling through a museum with a slice of pizza and glass of wine in hand, you need to befriend superlobbyist **Tony Podesta**. Known about town as a legendary political "fix-it" man, Podesta has turned his Kalorama home into a shrine to contemporary art, ranging from relatively under-the-radar artists such as Serbian painter **Biljana Djurdjevic** to those who are much better known (like French sculptor Louise Bourgeois).

UPDATE: an image shows a baby and a comment by Alefantis says "that baby loved the farm." Link: <http://archive.is/abZBC>

UPDATE: an authenticated email reveals talk of putting young children in a heated pool as entertainment for people who are visiting a farm.

Note that the children's ages are made explicit, along with a guarantee that they will be in that pool "for sure."

A member of the anonymous hacking collective found this: the headline speaks of spending "raw and uncut time" with a child online. The wording is: "Evelyn is growing up. Soon she will be the queen of the entire US of A. right now, for a limited time only, **you can spend some time with her online, raw and uncut.**"

They have a profoundly disturbing fascination with small children and pizza. The video of Amanda Kleinmann (below) also makes allusions to empty baby cribs and pizza.

Note again: John Podesta’s emails look to be mysteriously deleted on the day McCann was abducted.

Thursday, 3 May 2007

John Podesta wiped his email the same day Madeleine went missing

Tapas restaurant

Thursday, 3 May, was the penultimate day of the family's holiday. Over breakfast Madeleine asked "Why didn't you come when [her brother] and I cried last night?" After the disappearance, her parents wondered whether this meant someone had entered the children's bedroom. Her mother also noticed a large brown stain on Madeleine's Eeyore pyjama top.^[17]

The children spent the morning in the resort's Kids' Club, then the family lunched at their apartment before heading to the pool.^[18] Madeleine's mother took the last known photograph of Madeleine that afternoon, sitting by the pool next to her father and two-year-old sister.^[19] The children returned to Kids' Club, and at 18:00 their mother took them back to SA, while their father went for a tennis lesson.^[20]

The McCanns put the children to bed around 19:00. Madeleine was left asleep in short-sleeved, pink-and-white Marks and Spencer's Eeyore pyjamas, next to her comfort blanket and soft toy Cuddie Cat.^[21] At 20:30 the parents left SA to dine with their friends in the Ocean Club's open-air tapas restaurant, 50 metres (160 ft) as the crow flies on the other side of the pool, a walk of 30–45 seconds, according to Madeleine's mother.^[22] The staff had left a note in a message book at the swimming pool reception area, asking that the same table, which overlooked the apartments, be block-booked for 20:30 for the McCanns and friends. The message said the group's children were asleep in the apartments. Madeleine's mother believes the abductor may have seen the note.^[23]

The McCanns and their friends left the restaurant roughly every half-hour to check on their children. SA's patio doors could only be locked from the inside, so to allow them to enter that way, the McCanns had left the patio curtains drawn and the doors closed but unlocked. They had also closed the child-safety gate at the top of the patio stairs and the gate at the bottom leading to the street. Madeleine's father carried out the first check on SA at around 21:05. The children were asleep and all was well, except that he recalled having left the children's bedroom door slightly ajar, and now it stood almost wide open; he pulled it nearly closed again before returning to the restaurant. This was the last time either of the McCanns saw Madeleine.^[24]

Editor's note: What follows is a set of data. Your only responsibility as an intellectual, is to logically evaluate the data on your own and follow the evidence wherever it leads. This data is in need of an explanation, and it is up to you to determine what the most likely explanation is.

Mr. Alefantis is the owner of the Washington DC pizza parlor Comet Ping Pong. There are disturbing indications that Mr. Alefantis is running a pedophile ring that involves quite a few public figures in Washington D.C. It would appear that he is the "Achilles heel" for all these people of stature.

Since the investigation began, Mr. Alefantis has deleted many of his posts and set his social media to private. We have archived the entirety of his online presence however. Links posted here are both archives and screenshots I took while helping to investigate.

II. Implications James Alefantis is running a pedophile ring out of Comet Ping Pong

A. Sexual references made in Comet Ping Pong and by Alefantis online

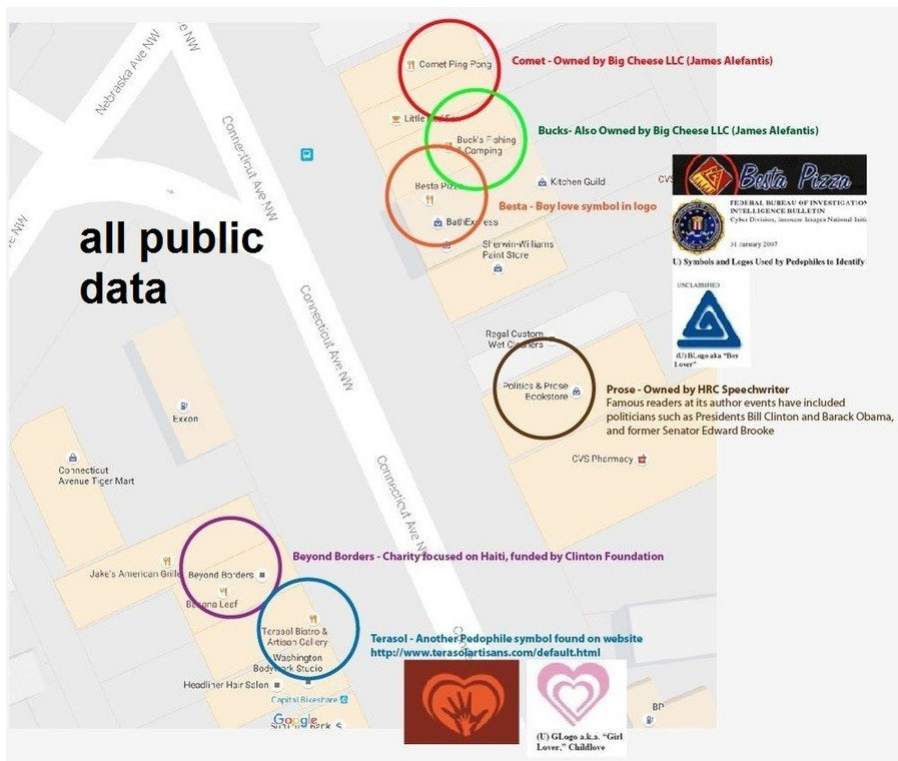

First. Comet Ping Pong advertises itself as a "family place for parents and their kids"

This website here shows that a reviewer mentioned the presence of hidden doors in the establishment (it also revealed that the Food Network show host Guy Fieri has done an episode there). Link and screenshot of relevant portion here:

<http://www.sashalordpresents.com/comet/>

<https://i.sli.mg/iFTJal.png>

UPDATE: Comet Pizza just one of several restaurants in area with pedophilia references, all under matching ownership. What is going on here, and why are they digging tunnels underneath this area?

Despite it's claim to be "family friendly" the restaurant has a number of disturbing sexual references inside and James Alefantis makes a number of references to pedophilia both overtly and implicitly online.

He posted a disturbing image of a little girl taped down to a table in Comet Ping Pong:

<https://archive.fo/YJJnJ>

He joked about purchasing infants:

<https://archive.fo/5Uec0>

Here he posted a photo featuring a man wearing a shirt that says "I love children" in French:

<https://i.sli.mg/ON22AY.png>

A photo showing individuals engaged in some strange ceremony or ritual:

<https://i.sli.mg/dAMKb2.jpg>

Another odd photo someone tagged at Comet Ping Pong:

<https://i.sli.mg/7UoOMf.png>

Here Alefantis posted a photo of a man with a yellow bead necklace around the head of a young boy. A quick search reveals yellow sex bracelets imply analagus, and the hashtag #chickenlovers in the instagram post is a pedophile reference to adult men who are attracted to underage boys. Links below:

<http://archive.is/2XUmH>

<http://www.urbandictionary.com/define.php?term=sex%20bracelets>

<https://i.sli.mg/RXxkc6.png>

B. References to pizza, either sexual or involved children

Alefantis and others **clearly** use the term "pizza" to allude, at the very least to sex (I believe it to mean sex with minors). Here are a number of references from Alefantis and others tagged at Comet Ping Pong making sexual innuendos about pizza and children:

<https://archive.fo/rwOig>

<https://archive.fo/mKH6M>

<https://archive.fo/NphBA>

<https://i.sli.mg/8Ziyud.png>

<https://i.sli.mg/r8clgN.png>

<https://i.sli.mg/6ShWWC.png>

<https://i.sli.mg/r1x646.jpg>

<https://i.sli.mg/9ci3lj.png>

<http://imgur.com/a/bxnm3>

<https://archive.is/FMLbx>

C. Innuendos to systematic child abuse and trafficking

Comet Ping Pong's posters for the "concerts" played at their venue show references to abuse and pedophilia.

Here is an poster which may refer to the out of body experience children have when experiencing extreme abuse:

<https://i.sli.mg/kHXqhi.jpg>

Here is one showing a band called the "Lolitas" played at Comet Ping Pong:

<https://i.sli.mg/4Y3Vls.jpg>

More disturbingly Alefantis has posted a number of photos showing very suspicious rooms, construction of underground chambers and openly joked about "filling them" with his friends on Instagram.

Here is a photo Alefantis posted showing men digging a hole. Him and his friends joke about "filling it" and a commenter claims his hole has "been full for quite some time now." They also joke about doing a "line up" at the hole in the near future.

<https://i.sli.mg/s3px8V.png>

Another photo he posted appears to shows a large freezer, which could appear to be a location used for some kind of imprisonment or torture. Commenters on the photo joke "rinse it off when you're done" and "kill room."

<https://i.sli.mg/86mWIT.png>

The man who commented "kill room" on the above photo has a number of images on his Instagram appearing to show he makes child sized coffins:

<https://i.sli.mg/m9UgrV.png>

<https://i.sli.mg/3YcyRF.png>

Here is a disturbing Wikileaks email where a "torture chamber" is referenced:

<https://wikileaks.org/podesta-emails/emailid/56492>

Finally, people have noticed that pro-Hillary groups own ALL the properties on the block where Comet Ping Pong is located.

<https://i.sli.mg/1XVf9d.png>

As noted in the previous picture, some of the company logos of nearby groups who have offices near Comet Ping Pong look similar to known images used by pedophiles as per this FBI document:

<https://i.sli.mg/TcMOz6.png>

What can we do about this?

It seems fairly likely that the DC police and FBI will not do anything about this situation. Raise public awareness! Our best tool to combat the people in power on this issue is to build publicity until the public demands a change. Get the word out!

Credits to all the anons on /pol/ who have been working around the clock on this, as well as our own nimble navigators, especially /u/dota2_scrub who found the Soros/Obama documentation.

EDIT: /u/omfgzlolz has pointed out that "ping ponging" is sexual slang for a threesome.

<http://www.urbandictionary.com/define.php?term=ping+pong&defid=1386116>

EDIT 2: A NEW LEAD shows that James Alefantis' sister, Susan Alefantis **wrote a letter in support of a teacher who was convicted of molesting 5 girls:**

<https://s3.amazonaws.com/s3.documentcloud.org/documents/835178/kloman-letter-writers.pdf>

Here is an article on the abuser:

WARNING: What you are about to see is profoundly disturbing. You should not continue reading this unless you are emotionally prepared.

Scroll all the way down to the end of this article if you want to see the pictures and video without reading about the background – another warning: these contain images of infants, child's arms being restrained, sinister sexual discussions, underground facilities, rooms with "murder" as the comment, and much more.

We ask only one thing of you. That you think logically and critically as you process this information. It is normal to doubt this or feel you are going insane, because it is so far removed from our ordinary day-to-day experience. But keep digging into the details. Verify everything on your own, do not trust us or anybody else blindly. Assess the evidence and footage for yourself, and research hard.

Open your eyes.

We'll proceed as follows. We'll give you names. We'll give you their relation to the Clintons. We'll give you a series of links which you can use to verify the information for yourself. Finally, we'll present video footage and photos at the end.

These photos were posted by the instagram account of the owner of Comet Pizza and include a baby doll being put up for sale.

UPDATE: The account has since been deleted, but everything is archived at the bottom of this article.

Anthony Weiner

Investigated for [sexual misconduct involving a minor](#).

Relation to Clintons: Anthony Weiner is married to Huma Abedin. Huma is Clinton's closest staffer. Hillary describes Huma as her second daughter.

Weiner was brought up on [sexual misconduct with an underage girl](#), as well as sending sexually explicit photos online. Huma was reported to have stored a vast trove of secret information on Weiner's computer.

The FBI found that information. Days after they found it, they [arrested over 239 people involved in a child sex trafficking ring](#).

Jeffrey Epstein

Confirmed [pedophile](#).

Relation to Clintons: billionaire who was intimately involved in the Clinton Foundation. Both Bill and Hillary Clinton were on his private jet over 20 times, many times without secret service.

On this private jet, which as come to be known as “the Lolita express,” Epstein was found to have had beds and minors available for his clients to engage in sexual activity with. This jet would fly to a private island where Epstein was believed o have had a compound with more child sex slaves. [What investigators found in his compound was downright scary.](#)

John Podesta

Mired in controversy after leaked emails show his involvement with [Marina Abramovic’s spirit cooking](#), as well as bizarre and seemingly nonsensical references to pizza throughout his emails.

John Podesta may have injured his hand at a place called “[Comet Pizza](#)”

Relation to Clintons: top adviser for over two decades. Currently leading Hillary’s quest for the office of presidency.

Podesta’s emails were leaked to the American public by Wikileaks. Inside those emails appear to multiple references to pizza and “cheese pizza” which, if interpreted in their normal context, make no sense. But pizza is a notorious code for child prostitution in underground networks.

As an example, in Podesta’s emails there is reference to a napkin with a map on it that is “pizza-related.”

Marina Abramovic

Relation to Clintons: invites Clinton team to her private rituals, which she says are not just performance art, but real spiritual rituals, donated the maximum amount to Hillary’s current quest for presidency.

Marina Abramovic produces imagery posing with small children, and also depicts ritualistic abuse. It is Crowley-type magick involving very demented practices which we shall not describe here, [but you are free to see for yourself.](#)

Here is Marina posing with a young undressed child.

Marina has said that her magick is not just “art” but is a spiritual experience when it is done in private settings.

Question to ask yourself: is the label of “performance art” being used so these people can maintain deniability when they are engaged in these activities? (More on this below.)

Tony Podesta

Relation to Clintons: the most powerful lobbyist in Washington DC contributing to the Clinton campaign, is John Podesta’s brother, also invited to Abramovic’s private ritual.

Tony Podesta’s house has pictures of unclothed minors, according to reports, and he is into the “art” of Biljana Djurdjevic. We cannot post Biljana Djurdjevic’s “art” here, and we strongly suspect it might be paintings of actual pictures or events. [Here is the google image search result](#), but we strongly caution you to not view that link unless you are adequately psychologically prepared.

Tony has pictures of naked minors in his room, [reports show.](#)

James Alafantis

Owner of “Comet Pizza” a restaurant described as being “kid-friendly” and having doorways blended in with walls, discussed having pizza with John Podesta in emails, was in a relationship with David Brock who is a close associate of the Clintons.

Comet Pizza has come under severe scrutiny after it was found by independent researchers on Reddit to bear symbols of pedophilia. [Verify for yourself.](#)

Amanda Kleinman organizes events there. One of the events was for children to come and learn about monsters, and why monsters have different ideas of love than humans, and children were to write notes to the monsters on Valentines day.

Amanda Kleinman

This is who [Amanda Kleinman is](#). Note references to “filling holes,” imagery of “pizza” and empty baby cribs, etc. Amanda Kleinman organized events at Comet Pizza.

More connections:

I. Connections between Power Brokers and Alefantis

David Brock, director of Correct the Record

James Alefantis is the owner of pizza joint Comet Ping Pong, he is (or was) the romantic partner of former CTR director David Brock. Here is a link confirming this and showing them caught up with another individual in some kind of blackmail love triangle:

<http://www.foxnews.com/politics/2012/02/27/media-matters-boss-paid-former-partner-850g-blackmail-settlement.html>

Here is a photo of Brock on Alefantis’ Instagram:

<https://i.sli.mg/p58Eks.png>

Hillary Clinton

Here is a letter Alefantis posted from Hillary thanking him for helping with a fundraiser that involved the Podestas:

An FEC search also shows payments made to Alefantis from the Clinton Campaign and pro Clinton PACS

<http://archive.is/5ljQn>

Barack Obama

Here is a photo Alefantis posted showing Obama playing ping pong with a young boy:

<http://archive.is/4uB5R>

That Obama is playing ping pong with a child is not the issue here, but the fact that Alefantis posted it, ostensibly in a spirit of irony. What would be significant about “ping pong” to Alefantis?

Obama has also been identified in the Wikileaks Podesta dump as having held phone banks at Comet Ping Pong’s location:

<https://wikileaks.org/podesta-emails/emailid/27890#efmAKgALR>

<https://wikileaks.org/podesta-emails/emailid/5326#efmADoAEY>

Alefantis is also listed in White House records as having visited a few times:

<http://imgur.com/la1ILQK>

George Soros

Yes, George Soros even is involved with this pizza parlor. He is listed as a major donor to the American Bridge 21st Century PAC:

<http://archive.is/aFTPu>

This PAC is on record with the FEC as having made several donations to Comet Ping Pong:

Marina Abramovic

Alefantis appears to have some form of relationship to spirit cooking “artist” Marina Abramovic as he references her in his instagram:

<https://i.sli.mg/laEST4>

He also posted a photo which appears to possibly make a Moloch reference:

<http://archive.is/ycEwD>

Podestas

Here is Alefantis posting a photo of Tony Podesta’s house:

You may remember this “Arch of Agony” statue from the house of Tony Podesta, as seen in this Washington Post article:
